

1961 Ford Falcon Shop Manual: The Ultimate Guide to Classic Car Restoration and Maintenance

The Ford Falcon is a classic American car that was first produced in 1960. It was a popular choice for families and budget-minded consumers, and it quickly became one of Ford's best-selling models. The Falcon was available in a variety of body styles, including a sedan, coupe, convertible, and station wagon. It was also offered with a variety of engine options, from a modest six-cylinder to a powerful V8.

The 1961 Ford Falcon was a significant redesign of the original model. It featured a new body style with a more modern and streamlined appearance. The interior was also redesigned, with a new dashboard and instrument panel. The 1961 Falcon was also available with a variety of new features, including a factory-installed air conditioning system.
