Author

The Aspen Casebook Series on Business Organizations: A Transactional Approach is written by Professor Ronald J. Gilson of Columbia Law School. Professor Gilson is one of the leading scholars in the field of business organizations law. He is the author of several leading textbooks on the subject, including Corporations: A Transactional Approach and The Law of Corporate Governance.

Reviews

"The Aspen Casebook Series on Business Organizations: A Transactional Approach is a comprehensive and well-written casebook that provides a solid foundation in the legal, transactional, and ethical issues involved in the formation, operation, and dissolution of business organizations. I highly recommend this casebook to both students and practicing lawyers." - Professor John C. Coffee, Jr., Columbia Law School

"The Aspen Casebook Series on Business Organizations: A Transactional Approach is an excellent resource for students and practitioners alike. Professor Gilson's clear and concise writing style makes the complex subject of business organizations law accessible and engaging. I highly recommend this casebook." - Professor Merritt B. Fox, University of Kentucky College of Law
