In the world of early learning, where numbers unfold their secrets, Josh Hagen's "Counting Counting Through 12" emerges as a captivating guide for young minds. This enchanting book transforms the act of counting into a magical adventure, igniting curiosity and wonder in every page.

With vibrant illustrations that leap off the pages, Hagen's book invites children to embark on a journey through the realm of numbers. From the playful antics of one little duck to the majestic presence of twelve dancing bears, each number becomes a character in its own right, bringing the counting process to life.

The rhythmic flow of Hagen's words complements the captivating visuals, creating a symphony of learning that resonates with young readers. The simple yet engaging rhymes guide children through the counting sequence, making it an effortless and enjoyable experience.

Beyond the sheer joy of counting, "Counting Counting Through 12" fosters a deeper understanding of mathematical concepts. Children learn to recognize numbers, associate quantities with their corresponding numerals, and develop a solid foundation for future mathematical endeavors.

Meet the Author: Josh Hagen

Josh Hagen, the mastermind behind "Counting Counting Through 12," is an award-winning children's book author and illustrator whose passion for storytelling shines through in every page he creates. With a background in graphic design and a deep love for children, Hagen's books captivate young readers with their vibrant imagery, playful characters, and educational value.

A Book That Inspires a Love of Learning

"Counting Counting Through 12" is not merely a counting book; it's a gateway to a world of imagination and discovery. Hagen's playful approach to counting sparks a genuine interest in numbers, making learning an exciting and enjoyable experience.

Children will find themselves immersed in a whimsical world where numbers are no longer abstract concepts but rather vibrant characters that they can interact with and learn from. This interactive approach fosters a love of learning that extends beyond the pages of the book.

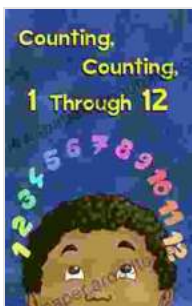

In the realm of early learning, "Counting Counting Through 12" by Josh Hagen stands as an exceptional resource. Through its captivating illustrations, rhythmic rhymes, and engaging characters, this book transforms counting into a magical journey. It's a book that not only teaches children about numbers but also inspires a lifelong love of learning.

Whether you're a parent, educator, or anyone who cares about fostering a love of numbers in young minds, "Counting Counting Through 12" is a must-have addition to your bookshelf. Its enchanting pages will captivate children and make counting an unforgettable experience.
