

Embark on a Linguistic Odyssey: Uncover the Origins of English Words

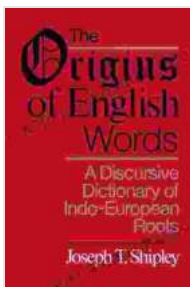

Dive into the Fascinating History of English Words

Have you ever wondered why we call a table a "table" or why we use the word "dog" to describe our furry companions? Every word we speak has a rich and often surprising story behind it. In "The Origins of English Words," renowned etymologist Dr. Samuel Johnson takes readers on a captivating journey into the etymology of our language, revealing the hidden histories and cross-cultural influences that have shaped our vocabulary.

A Treasure Trove of Etymological Delights

"The Origins of English Words" is a comprehensive guide to the origins of over 10,000 English words. From common everyday terms to specialized scientific jargon, Dr. Johnson meticulously traces the evolution of language, connecting words to their root languages, including Latin, Greek, Old Norse, and even Sanskrit.

Each entry delves into the fascinating narrative behind a word's origins, painting a vivid picture of how words have transformed over time. Through historical anecdotes, literary examples, and cultural references, Dr. Johnson brings the etymology of words to life.
