The sinking of the Titanic is one of the most tragic maritime disasters in history. Over 1,500 people lost their lives when the ship hit an iceberg and sank in the North Atlantic Ocean on April 15, 1912.

This book contains firsthand accounts from four survivors of the disaster: Jack Thayer, Archibald Gracie, Charlotte Collyer, and Lucy Duff. Their stories offer a gripping and unforgettable account of the tragedy.

Jack Thayer

Jack Thayer was a 17-year-old first-class passenger on the Titanic. He survived the sinking by climbing onto a lifeboat. In his account, he describes the chaos and panic that ensued after the ship hit the iceberg. He also recounts the heroic actions of the crew members who helped to save lives.

Archibald Gracie

Archibald Gracie was a 53-year-old businessman who was traveling in first class on the Titanic. He survived the sinking by jumping into the water and

clinging to a piece of wreckage. In his account, he describes the harrowing experience of being in the water for hours, surrounded by dead bodies. He also recounts the kindness of the crew members who helped to rescue him.

Charlotte Collyer

Charlotte Collyer was a 39-year-old second-class passenger on the Titanic. She survived the sinking by getting into a lifeboat with her two children. In her account, she describes the terrifying moments leading up to the sinking and the chaos that ensued afterwards. She also recounts the kindness of the crew members who helped to save her and her children.

Lucy Duff

Lucy Duff was a 26-year-old third-class passenger on the Titanic. She survived the sinking by climbing onto a lifeboat. In her account, she describes the discrimination that she and other third-class passengers faced from the crew members. She also recounts the harrowing experience of being in the lifeboat for hours, surrounded by cold and hungry people.

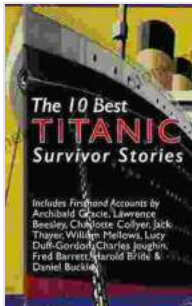

These firsthand accounts of the Titanic disaster offer a unique and unforgettable glimpse into one of the most tragic events in maritime history. They are a testament to the courage and resilience of the survivors, and they serve as a reminder of the importance of remembering those who lost their lives.
