John Michael Gariepy's "Focus On Bidding" is the ultimate guide for anyone looking to master the art of bidding. This comprehensive resource provides an in-depth understanding of all aspects of the bidding process, from project planning to post-bid negotiation.

Learn from an Industry Expert

John Michael Gariepy is a seasoned construction professional with over 30 years of experience in bidding, estimating, and project management. His

expertise shines through in "Focus On Bidding," where he shares his insights, proven techniques, and best practices.

As a highly sought-after speaker and consultant, Gariepy has trained thousands of professionals to enhance their bidding skills. Now, with "Focus On Bidding," you can access his exceptional knowledge and guidance from the comfort of your home or office.

Unleash the Secrets of Successful Bidding

"Focus On Bidding" is your step-by-step guide to every phase of the bidding process. You'll learn how to:

- Analyze project documents and accurately estimate project costs
- Develop comprehensive bidding strategies that maximize your chances of success
- Negotiate effectively with subcontractors and suppliers
- Manage the post-bid process and ensure smooth project transitions

With Gariepy's expert guidance, you'll gain the confidence and skills to prepare winning bids that meet clients' needs and exceed their expectations.

Elevate Your Project Outcomes

Mastering the art of bidding is not just about securing contracts. It's about optimizing your project outcomes and achieving long-term success. "Focus On Bidding" will help you:

- Increase your bid hit rate and secure more profitable projects

- Reduce project overruns and minimize financial risks
- Build stronger relationships with clients and industry partners
- Establish your construction business as a leader in the field

By embracing the principles and strategies outlined in "Focus On Bidding," you'll lay the foundation for a thriving construction enterprise.
