A Just In Time Communion Service is a communion service that is held at the last minute. This means that there is no need to plan ahead or to worry about getting everything ready. Simply show up at the designated time and place, and the service will be ready to begin.

Just In Time Communion Services are typically held in a casual setting, such as a coffee shop or a park. This makes them a great option for people

who are uncomfortable with traditional church settings.

Benefits of Just In Time Communion Services

There are many benefits to holding Just In Time Communion Services.

These benefits include:

- **Convenience:** Just In Time Communion Services are incredibly convenient. There is no need to plan ahead or to worry about getting everything ready. Simply show up at the designated time and place, and the service will be ready to begin.
- **Flexibility:** Just In Time Communion Services are very flexible. They can be held at any time and in any place. This makes them a great option for churches that have limited space or resources.
- **Inclusivity:** Just In Time Communion Services are inclusive. They are open to people of all ages, backgrounds, and beliefs. This makes them a great option for churches that want to reach out to a diverse community.

How to Plan a Just In Time Communion Service

Planning a Just In Time Communion Service is easy. Simply follow these steps:

1. Choose a time and place for the service.
2. Gather the necessary supplies, such as bread, wine, and juice.
3. Set up the service area.
4. Invite your friends and family to attend.
