## Chapter 1: Unraveling the Theory of Vital Needs

Discover the groundbreaking theory that revolutionizes our understanding of mental health. Dr. Johnson meticulously explains how our vital needs—autonomy, competence, relatedness, and meaning—play a pivotal role in our overall well-being. By understanding these needs, we gain invaluable insights into the origins of anxiety, depression, and anguish.

## Chapter 2: Anxiety: Understanding the Shadow of Fear and Uncertainty

Delve into the enigmatic world of anxiety. Dr. Johnson lucidly dissects the mechanisms behind this debilitating emotion, exploring its symptoms, triggers, and underlying psychological processes. Through practical exercises and evidence-based techniques, you will learn effective ways to manage anxiety and break free from its paralyzing grip.

## Test Anxiety STRATEGIES

<p><b>Get prepared.</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Attend study sessions.</li> <li><input type="checkbox"/> Take practice tests.</li> <li><input type="checkbox"/> Review notes.</li> <li><input type="checkbox"/> Ask clarifying questions.</li> <li><input type="checkbox"/> Pack your bag, pack your lunch, and lay out your clothes the night before.</li> </ul> <p><b>Practice Calming Strategies.</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Practice controlled breathing exercises.</li> <li><input type="checkbox"/> Make a test-day mantra. Practice repeating it to yourself.</li> <li><input type="checkbox"/> Practice grounding exercises.</li> <li><input type="checkbox"/> Practice progressive muscle relaxation.</li> </ul>	<p><b>Practice Self Care.</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Get enough sleep the week leading up to the test.</li> <li><input type="checkbox"/> Eat healthy meals.</li> <li><input type="checkbox"/> Do your favorite movement-based activities or exercises.</li> <li><input type="checkbox"/> Practice yoga.</li> <li><input type="checkbox"/> Speak kindly to yourself.</li> <li><input type="checkbox"/> Spend time with people you love.</li> </ul> <p><b>Change Your Thinking.</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Check your thoughts. Are they absolutely true? Are they based on facts? Are you assuming the worst or jumping to conclusions? Replace these thoughts with more realistic and positive thoughts.</li> </ul>
---	---

I am not defined by a test.

I am a successful person.

I am in control of the things I say to myself.
