A Journey into the Heart of Identity and Belonging

Prepare yourself for an extraordinary literary experience that transcends the boundaries of art and social commentary. "How It Hanging" is a groundbreaking book that invites you to confront the complex tapestry of identity, belonging, and the intersection of art and social justice.

Through a series of captivating portraits and personal narratives, this masterpiece unveils the stories of Black men in the Jim Crow South. Their experiences, both triumphant and heartbreaking, shed light on the struggles and aspirations of a marginalized community.

Exploring the Power of Visual Storytelling

Renowned photographer Deborah Willis masterfully captures the essence of these individuals, revealing their strength, resilience, and the weight of their lived experiences. Each portrait is a testament to the power of visual storytelling, inviting viewers to engage with the subjects on a deeply personal level.

The accompanying narratives, meticulously researched and written by award-winning author Kiese Laymon, provide a profound context for the images. Laymon's lyrical prose delves into the historical, cultural, and societal factors that shaped the lives of these men, creating a rich and immersive reading experience.

Uniting Art and Social Justice

"How It Hanging" is not merely a collection of portraits; it is a powerful statement about the urgent need for social justice. By bringing these stories to light, Willis and Laymon challenge viewers to confront the legacies of racism and inequality that continue to plague our society.

Their collaboration creates a transformative space where art becomes a catalyst for social change. It provokes conversations, challenges assumptions, and inspires empathy, fostering a deeper understanding of the human condition.

Praise for a Masterpiece
